Shadows of Brimstone: Forbidden Fortress™ is a brand new, fully cooperative, dungeon crawl adventure board game, set in Feudal Japan, and is part of the *Shadows of Brimstone™* game series!

Shadows of Brimstone: Forbidden Fortress can be played on its own as a stand-alone game, or it can be used in combination with any and all of the other *Shadows of Brimstone* products already available! It is fully compatible, in every way!

Don't miss out on the Exclusive Hero Classes and a ton of expansion material unlocked during the Kickstarter!

**KICKSTARTER ENDS
NOVEMBER 30th!**

Game Features:

- 27 detailed, multi piece hard plastic, 32mm scale game miniatures
- Immersive adventures and story driven gameplay, using the expansive and popular *Shadows of Brimstone™* Game Engine
- Fully Cooperative - all players work together against the game, itself
- Dynamically generated adventures, 12 Missions, high replayability
- Easy to learn, simple but fun gameplay, and rewarding thematic story moments as you progress your Heroes with a built-in Campaign system
- Heroes visit a Feudal Japanese Village between missions to re-stock before the next adventure, having a mini-adventure in town
- Over 250 game cards, a full set of beautifully illustrated, double-sided Map Tiles, a host of dice and counters, and all of the large Hero and Enemy record sheets needed to play
- Includes a CD Soundtrack of original Music, created to set the mood while playing
